

EXTANT STATES' RESOLUTIONS RECOMMENDED FOR RESCISSION

No.	Year	Billet d'État	Committee / Authority sponsor(s)	Policy Letter Title	Resolution	Reason for Rescission
1.	2020	X	Committee <i>for</i> Economic Development	Requête - Ensuring that a Policy Letter on the Policy Governing 5G Technology is Debated by the States Assembly	1. To direct the Committee <i>for</i> Economic Development to present a policy letter to the States of Deliberation no later than the end of 2020, detailing its recommended policy on 5G technology, including specific reference to the licence conditions and criteria.	This Resolution has been superseded by the Committee <i>for</i> Economic Development's 'Delivering Next Generation Digital Infrastructure' policy letter which was debated in October 2021.
2.	2020	XVI	Policy & Resources Committee	Improving Living Standards	1. To direct the Policy & Resources Committee to incorporate within the scope of the Recovery Action Plans for the Recovery Strategy, the vision and objectives for Improving Living Standards set out in Section 4 of the Policy Letter; and	The Recovery Strategy has been superseded by the GWP, in which the objectives and outcomes of Improving Living Standards have been accommodated.
3.	2020	XIII	Policy & Resources Committee	Revive and Thrive: Our Recovery Strategy for	2. To direct the Policy & Resources Committee to consult further in preparing the Recovery Action Plans for the Recovery Strategy and report back to the States as soon as practicable.	This has been superseded by the GWP and its processes of engagement.

				Guernsey Together		
4.	2020	Rule 18	Policy & Resources Committee	COVID-19 Pandemic - Funding of Financial Response	2c. To agree that the Policy & Resources Committee will ensure that regular reviews, as referenced in 2(b)(iii), take place to provide assurance on the Recovery Plan and its delivery, initially on a six-monthly basis.	This has been superseded by the performance monitoring framework process of the GWP.
5.	2019	XVI	Policy & Resources Committee	Transforming Education Programme & Putting into Effect the Policy Decisions made by the States in 2018	2. To note that the capital costs of the policy of organising further and higher education in purpose-built facilities on a single site, which was agreed by the States on the 19th of January 2018, will be up to a maximum of £51.1 million; direct the Policy & Resources Committee to add this project to the capital portfolio 2021 – 2025; and delegate authority to the Policy & Resources Committee to approve expenditure up to a maximum of £51.1 million charged to the Capital Reserve (in respect of the total project costs comprising building; transformation and transition) subject to the approval of appropriate business cases submitted by the Committee <i>for</i> Education, Sport & Culture which must demonstrate that the financial resources requested for the construction and	This has been superseded by the Committee <i>for</i> Education, Sport & Culture's policy letter on Reorganisation of Secondary & Post-16 Education debated in June 2021.

					operation of the preferred option balance cost and outcomes and therefore represent value for money in the development of The Guernsey Institute at Les Ozouets as part of the Transforming Education Programme.	
6.	2019	XVI	Policy & Resources Committee	Transforming Education Programme & Putting into Effect the Policy Decisions made by the States in 2018	3. To direct the Policy & Resources Committee to exercise the authority delegated to it through rigorous review and challenge of the business cases presented and, in particular, an assessment as to whether the final proposals balance costs and benefits and therefore use public resources in a way that creates and maximises public value, including: (a) the full capital costs of the project consisting of transformation, transition and community co-location costs in addition to building costs; (b) a baseline costed staffing structure, appropriately benchmarked, and explaining any deviation from existing policies; (c) a cost benefit justification for any additional investment required to operate the proposed staffing structure for the preferred model; (d) a cost benefit justification for any increased	This has been superseded by the Committee <i>for</i> Education, Sport & Culture's policy letter on Reorganisation of Secondary & Post-16 Education debated in June 2021.

					facilitate the development of the site and the funding of the same.	
9.	2019	IX	Policy & Resources Committee; Committee <i>for</i> Employment & Social Security	Policy & Resource Plan - 2018 Review and 2019 Update	1. To direct: h) the Policy & Resources Committee, guided by existing States Resolutions on in-work poverty and working with the Committee <i>for</i> Employment & Social Security, other States Committees and the third sector, to undertake preparatory investigations of policies successful in breaking poverty, with a specific focus on generational focus.	The Resolution should be rescinded as co-ordination of policy reviews and new policy development is now driven through the GWP.
10.	2017	XXIV	Committee <i>for</i> Education, Sport & Culture; Committee <i>for</i> Health & Social Care	A Partnership of Purpose: Transforming Bailiwick Health & Care	13. To direct the Committee <i>for</i> Education, Sport & Culture, together with the Committee <i>for</i> Health & Social Care, to review the training and education provided by the Institute for Health and Social Care Studies to ensure that it continues to meet the health and care needs of the Bailiwick, and to explore options for supporting a wider range of on- and off-island training opportunities;	This Resolution has been superseded by the 2018 Resolution (Billet II, Res. 16) from the Committee <i>for</i> Education, Sport & Culture's policy letter titled 'The Future Structure of Secondary and Post-16 Education in the Bailiwick'.
11.	2012	III	States' Trading Supervisory Board	Future Business Environment for Guernsey Water and	4. To agree that the water utility Sector Law described in proposition 3 shall also provide for regulation by the Director of Environmental Health and Pollution Regulation in regard to water quality.	This Resolution arises as a consequence of - and refers to - Proposition 3, which was rescinded by the States in
